

# Haystack-Needle-Sheet

## String Functions

|               |                       |
|---------------|-----------------------|
| strpos        | haystack, needle      |
| stristr       | haystack, needle      |
| stripos       | haystack, needle      |
| strpbrk       | haystack, needle-list |
| strpos        | haystack, needle      |
| strchr        | haystack, needle      |
| stripos       | haystack, needle      |
| strrpos       | haystack, needle      |
| strstr        | haystack, needle      |
| substr_count  | haystack, needle      |
| iconv_strpos  | haystack, needle      |
| iconv_strrpos | haystack, needle      |

## Multibyte String Functions

|                 |                  |
|-----------------|------------------|
| mb_strpos       | haystack, needle |
| mb_stripos      | haystack, needle |
| mb_stristr      | haystack, needle |
| mb_strpos       | haystack, needle |
| mb_strchr       | haystack, needle |
| mb_strrichr     | haystack, needle |
| mb_stripos      | haystack, needle |
| mb_strrpos      | haystack, needle |
| mb_strstr       | haystack, needle |
| mb_substr_count | haystack, needle |

## Array Functions

|                  |                  |
|------------------|------------------|
| array_key_exists | needle, haystack |
| array_search     | needle, haystack |
| in_array         | needle, haystack |
